

The Christian Education Resource center & Women's Studies

Dear Friends and Partners in Ministry,
Greetings in the name of our Lord Jesus Christ.

The Christian Education Resource Center continues in its mission to train leaders who are serving in their churches or church related organizations, equipping them to help and guide them in the fields that they are ministering in.

I would love to share with you about our latest training event, the Youth Leaders Training Seminar under the theme **TEENOLOGY 501**, which is part of a series that we are following since the beginning of CERC trainings for youth leaders. This year we took two main topics which were suggested by so many youth leaders who had participated in our trainings as they saw a need to be more informed in it.

Session one was led by **John Sagherian** on the topic **“Mentoring: A good way to pour yourself into others And prepare future leaders”**.

The second session was led by **Nabil Habibi** on the topic of **“How to prepare for a youth camp?”** Both topics were very well received by the participants.
